“This is just a short note to let you know that your newly installed roof at our facility has been great. The knowledge and skill you provided for the installation has solved many safety factors for us. I appreciated the time you took to go over in depth what was needed and what wasn’t needed to accomplish our project. The entire project was completed in a timely, cost effective manner, with your Company’s cost containment view, friendly skilled staff and always, with your company’s expertise. I look forward to continued qualified service in the future and hope to have future projects done by your company. You have shown time and time again that Noffke Roofing is a step above the rest and a company that sets the standards for all roofing for the future. Thanks again to all at Noffke Roofing.” Lasata Care Center
